

BLACKBURN COLLEGE **PARKING REGULATIONS**

STICKER PERMITS SHOULD BE PLACED ON THE LOWER PASSENGER SIDE OF THE FRONT WINDSHIELD.

A valid Blackburn College Parking Permit is required to park all student and faculty/staff motor vehicles on campus during the hours of 7:30 a.m. to 5:00 p.m. Monday through Friday during each Academic term, including final exam periods. Exceptions will be granted to guests of the College. All student and faculty/staff vehicles that park on campus must have a parking permit. Parking on public streets will result in tickets being issued by the Carlinville City Police Department.

Vehicles with a valid parking permit may be parking in any available on-campus parking area (except where otherwise restricted) on a first-come-first-served basis. Parking (or driving) on sidewalks, lawns, fire lane, or other non-parking areas is prohibited at all times. Various locations on campus are marked as Faculty/Staff parking. These spaces are reserved between the hours of 7:30 a.m. and 5:00 p.m., Monday through Friday with the exception of Ludlum Hall, which is no student parking 7 days a week, 24-hours a day. **Designated parking for visitors, R.D.s,R.A.s, College vehicles and handicapped spaces are reserved on a 24-hour a day, 7 days a week basis. During special events (e.g. Homecoming, Commencement, etc.) temporary parking regulations may be in effect.**

Motor vehicles (including motorcycles/scooters) may not be left on campus during vacation periods unless approved by Campus Security. Inoperable vehicles must be removed from the campus within 10 days.

Persons violating parking rules will be issued a Notice of Parking Violations. A parking violation carries a minimum monetary fine of \$20. Repeated offenses will result in vehicles being towed from the campus at the Owner's expense or being disabled by the attachment of a security device. Unauthorized parking in areas marked "Fire Lane", "Visitor", or "Handicapped" will generate a fine of \$30, \$30 and \$50 respectively for each offense. The College Business Office must receive payments for fines within 5 business days of the date of the violation. Failure to pay in a timely manner can result in revocation of a parking permit, vehicle tow or disablement, and/or withholding of other College privileges.

Motor vehicle policies are published in the "B Book". Please refer to that source for more detailed information on vehicle operation.

SECURITY DEPARTMENT

General Information

Security Office: Extension 4357 or 854-5502

Campus-wide lock/unlock of all facilities, nightly security rounds, escort service (dispatched from office), sporting events security, special events security, breathalyzer testing, coordination with local police and sheriff departments, theft and other unlawful activity investigations, traffic and parking control.

Parking & Traffic Control:

Permits are available at the Physical Plant Office and in the Demuzio Center during registration periods. Permits are free but must be displayed on all vehicles parked on campus.

Lot locations and who is designated to park there are indicated on the campus-parking map. Any vehicle displaying a permit may park in general parking at any time. Parking may not always be available proximate to your destination. Spots are almost always available in the large lot between Demuzio and the tennis courts.

PLEASE OBSERVE POSTED CAMPUS SPEED LIMITS

Pedestrians are not always observant of the right-of-way.
